PROFILE

Final-year ICT Application Development student seeking Work Integrated Learning (WIL) or internship in software development, Data analytics or IT. Skilled in building responsive web applications, working with databases, and developed client-server systems, also developed SkillSwap App. Strong team player with leadership experience and a passion for solving real-world problems using technology.

EDUCATION

Diploma in ICT Application Development **(In Progress – 2026)**
Cape Peninsula University of Technology (CPUT)

National Senior Certificate (NSC) **2022**
Iphondle Senior Secondary School

PROJECTS

Responsive Web Application
- Built a responsive website using HTML, CSS, and JavaScript
- Designed a clean, user-friendly interface with full mobile responsiveness

Client-Server Application (Java)
- Developed a Java-based client-server system from scratch
- Implemented client-server communication using OOP principles

Power BI Data Dashboard
- Created an interactive data dashboard using Power BI
- Cleaned and transformed datasets using Power Query & Excel
- Generated actionable insights from real-world data

SkillSwap App
- Built a skill-sharing platform enabling users to connect and exchange services
- Implemented user-focused features and structured the application for scalability

LEADERSHIP & ACTIVITIES

Inclusivity & Diversity Champion | Cape Peninsula University of Technology
- Led student engagement and inclusivity initiatives at university level

RCL Member | Iphondle Senior Secondary School
- Represented the student body in school decision-making processes
